

Replacement Rubber Foot Cap for O'Live Steps

Replacement rubber foot cap for the **O'Live Professional Step Platform (ST22300.01)** and **O'Live Elite Professional Step Platform (ST23400.01)**. Available individually.

Product description:

Maintain your O'Live Professional Step Platform (ST22300.01) and O'Live Elite Professional Step Platform (ST23400.01) with this replacement rubber foot cap. Designed for these step models, it helps renew the contact surfaces at the base of the equipment.

Replace worn foot caps to keep your aerobic step equipment in working condition. The rubber caps are sold individually for convenient maintenance of compatible O'Live platforms.

A practical replacement part for gyms and studios using O'Live Professional and Elite Professional Step Platforms.
