Product description:

O'live brand steel body bar or weighted barbell

Its versatility allows for a wide variety of exercises. Used for all types of strength conditioning and functional training.

Easier to use than standard disc bars. Each weight has a different color.

The square design of the caps prevents unintentional displacement of the bars on the floor.

Five weights available: 2, 3, 4, 5, 6 kg

Measurements: Length 120cm

Weight: 6 kg
