
Kit 5 Pro-Style O'Live Curved Bars, 10 to 30 kg

Product description:

Built-in fixed weight bars with compact design and excellent balance. They are protected with rubber for good durability and appearance. The kit consists of 5 bars with 5 kg increments between them, and can be with straight or curved grip. The bar is chrome-plated and has a graphite finish for optimum grip. The internal length of the bar is 98.5 cm.
