Product description:

The Rack Bases Step Professional **O'Live** is a practical and efficient solution for organizing and storing step frames in a safe and orderly manner. Designed to stack the bases in the shape of a tower, this piece of furniture has a sturdy and functional structure, ideal for gyms, fitness studios or any space dedicated to training.

The cabinet comes in a compact size, with **dimensions of 86 x 46 x 10 cm**, making it suitable for spaces of different sizes. Its smart design allows for easy stacking of **up to 40** step base **units**, making it an excellent choice for those who have a large number of bases and need to keep them organized and accessible.

An outstanding feature of this piece of furniture is that it incorporates casters, making it easy to move around. You can move it from one place to another effortlessly, which is especially useful if you need to reorganize your training space or transport the bases to different areas within your facility.

It is important to note that this product does not include the step bases themselves, but only the furniture designed to store them.

The Rack Bases Step Professional O'Live is presented in an elegant Dark Gray color,

which gives it a modern and sophisticated look. Its quality finish guarantees durability and resistance, ensuring that the furniture maintains its appearance and functionality over time.
