Eva Mat O'Live, BLUE

Suitable for general use in supervised activities and fitness rooms. Metal eyelets

Product description:

The mats **O'Live** made of EVA foam, offer excellent **durability** properties.

Their size and thickness make them ideal for all-terrain use, being perhaps one of the most versatile on the market.

They have a **smooth** underside for greater adherence and a **rough** upper side for less slippage of the user.

The surface tolerance is from 6 to 9 mm.
