Double Dartboard O'Live Fitness, column width 80 mm

Dual Targets for Personalized Training

Elevate your **athletic performance** with our dual targets, **designed to easily mount on any O'Live Fitness column**. By installing the double target on a 270 cm FCS column, you can reach **throwing heights of 9' (274 cm)** for women and **10' (305 cm)** for men, meeting recommended throwing standards. This adjustment allows you to tailor your workouts to different skill levels and goals, ensuring that each session is effective and challenging.

Product description:

Installation Versatility for Every Space

Our double dartboards are **available in three versions**, depending on the mounting location you need. **You can choose to mount them on an** 80 mm deep **column or crossbar**, on a 160 mm deep column, or on the end of a ceiling. This **versatility** gives you the perfect option for integrating the targets into your **gym**, regardless of the space available or the configuration you prefer, facilitating **efficient and convenient use**.

Compact and Rugged Design

With dimensions of **70 x 8.5 x 24.5 cm**, our double targets have a compact design that allows for easy integration into any training environment. **Manufactured with high-quality materials, they guarantee durability and resistance to wear and tear**, ensuring that you can focus on improving your skills without worry. Add a **functional and attractive accessory to your gym** and take your

workouts to the next level.
