O'Live Fitness Olympic Weight Plate Storage Attachment

Olympic Weight Plate Storage for an Organised Gym

Organise your Olympic weight plates with the O'Live Fitness storage attachment. A practical gym accessory for keeping plates tidy and ready for your next strength training session.

Product description:

Designed to fit compatible O'Live Fitness modular storage uprights, versatile shelves, racks and functional training stations, this plate holder offers flexible equipment storage. Its quick, straightforward installation helps you organise your workout space.

Storage capacity depends on the thickness of the weight plates. The compact 48 × 300 mm dimensions make this attachment a practical option for home gyms and commercial fitness facilities.

Keep your Olympic plates within reach and your strength training area organised with the O'Live Fitness weight plate holder.
