

Rack Box Rack Multiple O'Live Fitness

StorageBox Rack O'Live Fitness

Maximize Your Space with Style and Functionality

The **O'Live Fitness StorageBox Rack** is designed for those looking to optimize their workout space without sacrificing style. Made with high quality compact wood and a dark gray melamine finish, this rack is the perfect solution for keeping your fitness equipment organized and within easy reach.

Product description:

Measuring 325 x 400 x 1700 mm, this rack is ideal for storing a wide variety of materials, from foam cylinders and elastics to ankle braces and other training accessories. Its versatile design allows it to be easily attached to the columns of any multi-unit furniture or to O'live Fitness racks and function stations, always making sure to place it in contact with the floor for stability.

Outstanding Features:

- **Premium Material:** Durable compact wood with a dark gray melamine finish that resists wear and tear.
 - **Storage Versatility:** Ample space for a variety of fitness equipment.
 - **Easy Installation:** Compatible with multiple furniture columns and O'live Fitness functional stations.
 - **Perfect Dimensions:** Unique 1.7-meter width, ideal for a variety of workout spaces.
-

Enhance your workout environment and keep your equipment organized with the **O'Live FitnessStorageBox Rack** .
