

O'Live Fitness Versatile Storage Shelf, 110 cm

Versatile Storage Shelf, 110 cm — O’Live Fitness

Organise your gym equipment with the **O’Live Fitness versatile storage shelf**. Designed to fit compatible modular storage uprights, racks and functional training stations, it keeps your equipment tidy and within reach.

Product description:

- **Versatile installation**: Fits a range of compatible structures to organise equipment in home gyms and commercial fitness facilities.
- **Efficient storage**: Organise exercise mats, resistance bands, pump weight plates and other training accessories, keeping your equipment accessible between exercises.
- **Storage accessories**: Use the tray or individual ball holder to adapt the storage layout. Several shelves can be combined to create a configuration that suits your training area.
- **Compact dimensions**: 1100 × 250 × 80 mm. A compact shelf for making efficient use of your gym storage space.

Improve the organisation of your functional training area with practical, accessible equipment storage.
