transform your workout space with the **O'Live Fitness FCS Plus Modular Wall Training Station!** Perfect for taking your routine to the next level with unmatched stability and versatility.

Product description:

Outstanding Features:

-
- **Customizable Design:** With widths of 1.1 and 1.7 meters, this modular station allows for unique configurations to fit your training goals.
 - **Professional Quality:** Manufactured with 80x80x3mm columns, it guarantees superior stability and rigidity, withstanding the most intense workouts.
 - **Optimal Space:** With a total depth of 194 cm and a height of 270 cm, it offers ample space to perform a variety of exercises. Suitable for pull-ups, with a diameter of 32 mm and a thickness of 3 mm. Bars of 80 x 80 x 3 mm for greater stability, which allow you to attach other accessories such as pull-up bars, carabiners with eyelets, etc.
 - **Premium Finish:** Available in an elegant textured black color (RAL 9005), it adds a modern touch to your training space.
 - **Secure Installation:** Must be attached to the floor or wall, and includes standard screws - see for more information on installation.
 - **Versatile Accessories:** Compatible with a wide range of accessories, including monkey bars and pull-up bars with different grips, to maximize your workout routine.
