
Rack for Discs O'Live Fitness 1,7 m

1.7 m Disc Rack

Optimize your workout space with the O'Live Fitness Disc Rack. Designed to fit perfectly between multiple furniture columns or in any functional rack or station, this rack is the ideal solution for keeping bumper discs or BOSUs organized and within easy reach.

Product description:

Available in two convenient sizes, 1100mm or 1700mm, the Disc Rack fits storage needs without taking up too much space in the workout area.

With a sturdy and durable construction, it ensures the safety and stability of discs, while its sleek and functional design complements any gym environment.

Make the most of your workout spaces and keep discs organized with the O'Live Fitness Disc Rack.
