360º Support Accessory for 80 O'Live Fitness

360º Suspension Clamp for Safe Workouts

Maximize the safety and stability of your workouts with our 360° Suspension Fixation for 80 columns.

Meticulously designed to ensure a stable and safe suspension during your workout routines, this accessory is a must-have for any training space.

Product description:

Whether you're hanging heavy bags or using suspension tools like O'Sky or TRX, our fixture allows for a full 360-degree rotation without sacrificing stability.

Forget worries about the safety of your equipment and focus on reaching your fitness goals with confidence.

Made of high-quality, durable materials, this accessory guarantees reliable support for the most intense training sessions.
