Product description:

Elite Two-Sided Half Rack O'Live (136x247x246 cm) Robust and versatile training station

The **Elite Two-Sided Half Rack O'Live** (136x247x246 cm) is an ideal solution for advanced training, manufactured with **80x80 mm** columns and **3 mm thick**. Designed for strength and durability, it has multiple anchor points and laser-cut numbers, facilitating the placement of bar supports and safety systems. Made of iron with textured black epoxy paint, this rack is highly resistant to wear and tear. Created in Spain, it is customizable with **training accessories O'Live**. **Note:** the j-cups visible in the image are not included.
