Wall-mounted rack for up to 5 exercise balls of Ø 55 or Ø 65 cm, or 4 balls of Ø 75 cm. Space-saving gym storage for an organised functional training area.

Product description:

O'Live Fitness Wall-Mounted Exercise Ball Rack Space-saving storage for exercise balls

The **O'Live Fitness wall-mounted exercise ball rack** provides practical, organised storage for your stability balls. It holds up to 5 balls of Ø 55 or Ø 65 cm, or 4 balls of Ø 75 cm, helping keep your training space tidy. The wall-mounted design frees up floor space, while its compact, robust construction suits gyms and functional training facilities. Finished in dark grey. Dimensions: 263 × 40 × 20 cm.
