
Quick Lock Clamps O'Live Fitness, (Pair)

QUICK LOCK O'LIVE CLIPS (Pair) with strong nylon core. Firm and secure attachment, ideal for strength training. Quick and easy to attach.

Product description:

QUICK LOCK O'LIVE CLIPS (Pair) Safe and secure on every lift

QUICK LOCK O'LIVE CLIPS (Pair) are designed to ensure a secure and firm attachment of weights to your barbell. They incorporate a solid core of high quality nylon, which ensures a strong bond without damaging the bar or discs. Sold in pairs, these clamps are ideal for intense strength training and lifting, providing stability during your routines. Their quick-locking mechanism allows for easy attachment and removal, ensuring speed and safety in every set.
